ASPIRE DUST MOP TREATMENT

GREEN QUALITIES:

- 96% VOC Free
- Water Based
- Nonflammable
- No CFC's
- Steel canister is made of 50% recycled material – twice the industry norm
- 100% Recyclable
- No waste water generated in the manufacturing process
- Large particle size of propelled cleaner means less cleaner dissolved into the atmosphere

CERTIFICATIONS/ PERFORMANCE RATING

- FEP – Favorable Environmental Profile
- SCS – tested biodegradable

DESCRIPTION:

Aspire Dust Mop Treatment replaces sweeping compounds and eliminates the dust created when using mop head equipped push brooms. The advanced formula contains no wax or silicone, does not make the treated surface slippery and will not damage floor surfaces. Ideal flooring surfaces for use include asphalt tile, linoleum, vinyl, rubber tile, marble, granite, natural stone, ceramic, concrete, quarry tile, magnesite, cork and wood including polyurethane coated wood such as gymnasium floors, racquet courts, etc. It can also be used on flooring coated with removable polymer finish. Cloths treated with this product are ideal for dusting plastic, laminates, chalkboards and more. For Heating and Air Conditioning: When replacing filters on central heating and air conditioning systems, spray the new filter thoroughly before installing.
