- No CFC's
- Steel canister is made of 50% recycled material – twice the industry norm
- 100% Recyclable
- No waste water generated in the manufacturing process
- Large particle size of propelled cleaner means less cleaner dissolved into the atmosphere

CERTIFICATIONS/ PERFORMANCE RATING

- FEP – Favorable Environmental Profile
- SCS – tested biodegradable

DESCRIPTION:

Aspire Furniture Cleaner & Polish combines the ease of use of a general purpose cleaner with a high performance, high gloss protectant. Formulated with no silicone or wax to build up on surfaces, the unique formula works well on a wide variety of furniture including traditional finished wood and more contemporary urethane finishes, metals, laminates, etc. likely to be found in today's professional workplace. The fast breaking creamy white foam clings to vertical surfaces and polishes easily with no waiting for hazing, excessive buffing, or chasing out excess from cracks and crevices. Use on furniture desks, filing cabinets, regular cabinets, paneling, in offices, hotels, schools, municipal and government buildings, and much more.
